1800 888 598 | sales@amco.net.au

- 1 Hardwearing PVC construction, a lot lighter and easier to handle than traditional metal mats.
- 2 Heavy duty polypropylene insert effectively scrapes grime from bottom of shoes, preventing it entering offices and classrooms.
- 3 Spacings between the PVC construction allow for sand, dirt and other debris to fall through.
- 4 Very easy to remove and clean.

Sizes:

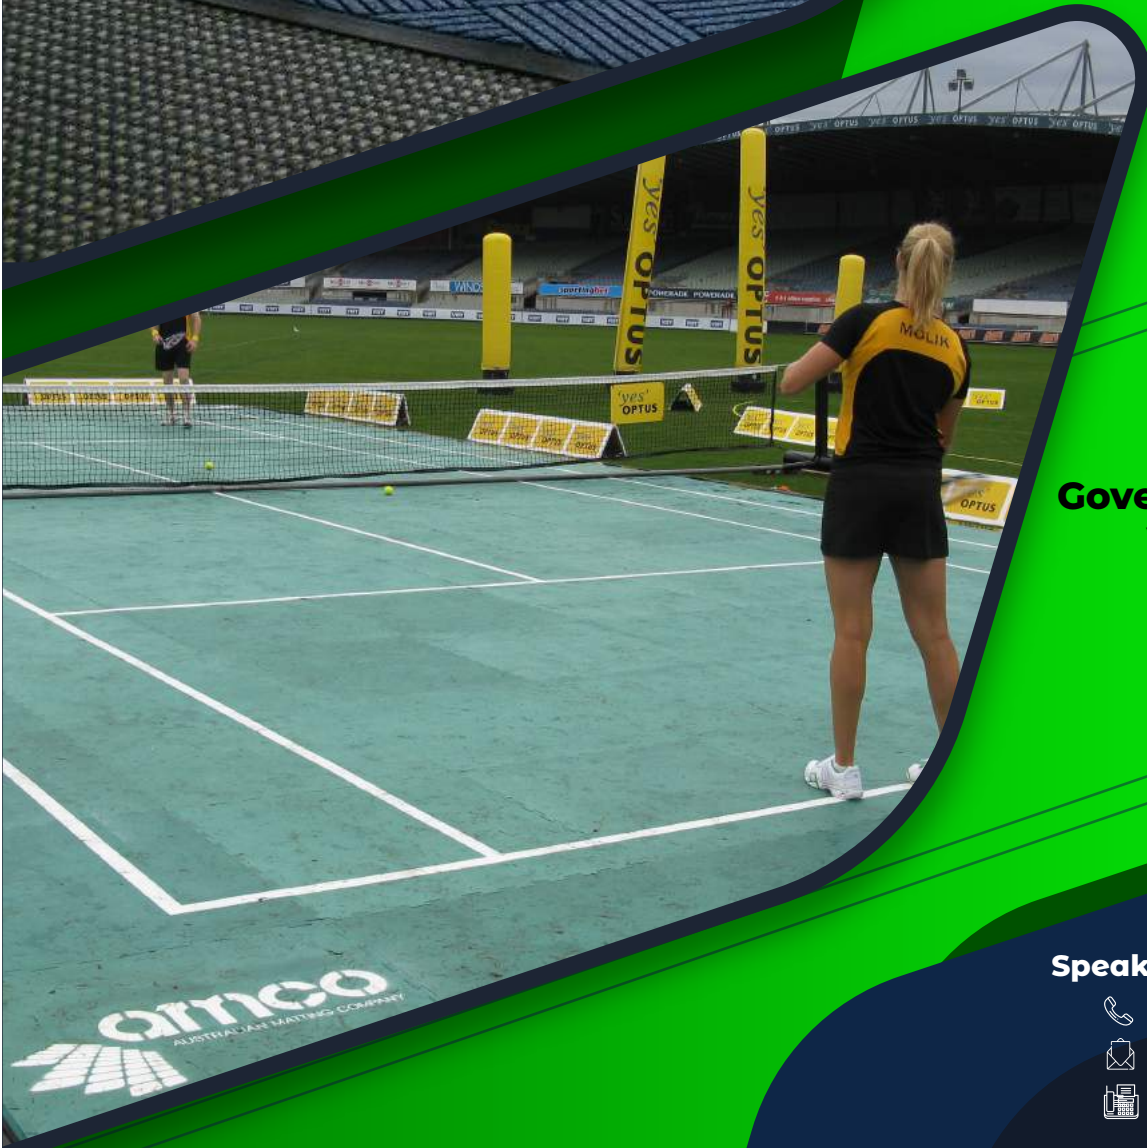

Custom Sized to suit any Entrance or Hallway.

Any length up to 12 Metres.

Optional 10 or 15mm depth
