

GRIPPY PIG

Healthcare Entrance Matting

Incredibly fast drying, and highly absorbent, soaking up spills and wet foot prints quickly and easily!

- Slimline profile, less than 2mm thick, perfect for wheelchairs and trolleys.
- Wicks water away super-fast to keep your floor slip-free.
- Floor scrubber friendly.
- Stays in place while you clean your floors – no more dragging heavy rugs.
- No sticky or tacky residue left on the floor when removed.
- Costs 50% less than rental contracts.
- They won't bunch up or flip on the corners, ideal for senior citizens who shuffle their feet.

ROLL SIZES

REDUCES **90%**
OF SLIPS, TRIPS AND
FALLS ASSOCIATED WITH
OLDER TYPE LOOSE LAY
ENTRANCE MATS.

How does it work? It has a tacky bottom side meaning it sits, and sticks, flush on the floor. It won't move or bunch up with hundreds of trolleys, wheelchairs, staff or residents walking over it daily.

Need an instant fix for a long hospital corridor, or to take water off shoes in your reception area? The New Pig Grippy Floor Mat is the quickest, simplest, and most cost-effective option to get your floors and entranceways sorted out.
